BILLERSWEET BRANCH LIBRARY  
MISHAWAKA, INDIANA

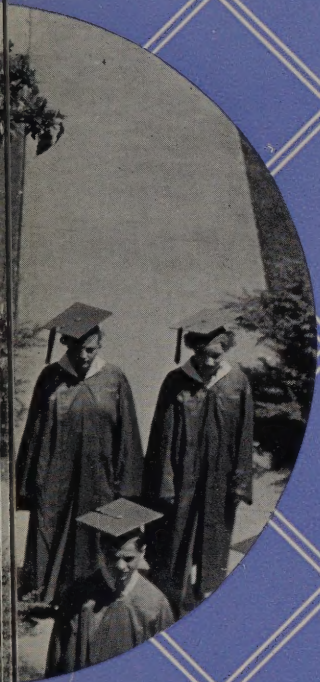

Your school days are soon over — but your memories  
linger on.

Your days in Mishawaka High School are limited to  
only four years — but in those four years you are building  
the foundation for your future. You will wish to remember,  
then, your life in school, the friends you made, the lessons

you learned, the goals you set, the activities you enjoyed, and the ideals you developed.

To act as your memory aide, to picture every phase of your life in M. H. S. from the most formal and dignified to the most informal and commonplace, is the purpose of this, *Your Miskodeed*.

"Your classmates and faculty as you know them" includes the seniors, pictured both by camera and by word sketches.

"Your fighting Cavemen on their battlefields" records the athletic achievements of M. H. S.

"Your outside activities and what they do for you" shows how your extra-curricular life develops scholarship, talents, sportsmanship, service, friendships, and provides outside contacts.

The picture is complete — "Your School," "Your Athletics," and "Your Activities." Your life in M. H. S. has been worth living. It is worth remembering!

## YOUR PRINCIPAL

Your principal, Mr. Charles H. Kern, is a man of high character and ideals, sympathetic and kind, ever willing to listen to a student who desires counsel regarding his or her problems. He is interested in all students, in their athletics, in their clubs, and in their social life.

## YOUR SUPERINTENDENT

Although he is very busy with school affairs and is not so often seen in the halls, Mr. P. C. Emmons, superintendent of Mishawaka Public Schools, has a genial smile and a pleasant "How-do-you-do?" for all high school students. He is largely responsible for the high rating of the Mishawaka schools.

## THE BOARD OF CONTROL

The Board of Control directs the finances of the several school activities. Expenditures of all clubs, classes, and athletics must be approved by the board, and all income is deposited in the treasury. Classes, organizations, and faculty have representatives on the board. Mr. Roy A. Broman is the comptroller; Mr. Harry H. Hatcher, president.

Mr. Charles H. Kern

Miss Lester  
Miss Duguid

### DEAN OF GIRLS

Hall guides, check-up cards, conferences, little sisters, girls' assemblies, employment problems, and social functions are all included in the progressive plans carried out by Miss Jean Cravens, Mishawaka High School's first dean of girls. During the last year she has been assisted by Miss Lora Duguid, Miss Wilhelmina Lester, Miss Reba Williams.

### OFFICE STAFF

Efficiency is the name for the Superintendent's staff. Three capable assistants are Miss Ida Betts, Secretary to the Board of Education; Miss Audrey Milliken, Secretary to the Superintendent; and Mrs. Ruth Spear Heeter.

In Mr. Kern's office, Miss Hope Myers, secretary, directs the daily problems that accumulate in this office.

**Your classmates and faculty**

as you know them

Robert Metzger, Loren Proudfit, Robert Hiler, Marjorie Hatfield,  
and Arthur Vallicelli.

## They Are Graduating

Last September the seniors chose Arthur Vallicelli as their president, and under his leadership they have gone forward with a co-operative spirit in presenting their class play and producing the *Miskodeed*. Loren Proudfit has been vice-president; Marjorie Hatfield, secretary; and Robert Metzger, treasurer. Robert Hiler was the seniors' representative on the Board of Control. The faculty sponsors are Mr. Harry H. Hatcher, head sponsor, Miss Jean M. Cravens, Miss Lora J. Duguid, Miss Ruby V. Perkins, Miss Dorothy E. Welch, and Mr. Darl F. Wood.

Two hundred and sixty-five dignified seniors, looking back upon their somewhat turbulent undergraduate days, realize that Mishawaka High School has given them many opportunities for social development and training which is offered in four different courses.

More seniors are enrolled in the College-Preparatory Course than in any other. Those who take this course believe that

they are laying a firm foundation for their future education or vocation. A knowledge of academic subjects increases one's understanding and broadens one's interests.

Of immeasurable value to the high school student looking forward to business is the Commercial Course. Under competent instructors, students learn the skills of bookkeeping, typing, shorthand, and other business subjects.

The growing industrial world makes a vocational course indispensable to a high school. The exceptionally high standard of work done in the shops of Mishawaka High School has created a large demand in this community for Trade Course graduates. Those who wish to enter college take a Pre-Engineering Course.

Students who are not interested in going to college or in pursuing any specific profession or trade take the General Course. Few requirements enable the student to study subjects of his own choice.

# They Aspire to College

The College Preparatory Course is popular with students, because, as idealistic freshmen, they are hopeful that they may attend some college. Hopes are often thwarted; but, the seniors appreciate the broad foundation they have laid by com-

pleting this course. English, social science, foreign languages, mathematics, the physical sciences — all these help to make a well-rounded education. Eighty-two of the 1937 graduating class are enrolled in the academic course.

#### PAUL BARD

Paul is a debater, editor-in-chief of the *Miskodeed*, and an all-round student. Liked by everyone, he was Junior Class president.

#### WILLIAM BERTIG

Swing music and football, a good combination, are the enjoyments "Bill" is most attracted to. After graduation he intends to study dentistry.

#### MARY BOLERJACK

Mary is a devoted radio listener; she especially enjoys Lum and Abner, and Jack Benny. She glories in reading blood-curdling murder mysteries.

# They Prepare for the Business World

In this rapidly growing industrial community there is need for well trained office secretaries and clerks who can do accurate work and keep accurate records. With this in mind, the Commercial Department trains students who can meet this demand.

Local industry employed eighty-nine percent of the 1936 Commercial graduates. Not content with the present set-up, the Commercial Department plans to acquire more and better equipment.

Students have the choice of either a stenographic or a bookkeeping course. The

stenographic course requires one to take two years of shorthand and one year of transcription. The bookkeeping course offers two years of bookkeeping and accounting.

Mr. Hatcher, head of the department, teaches bookkeeping; Miss Buchanan is the typing instructor; and Miss Foulke teaches shorthand and transcription; Miss Carstens and Miss Mason, a course in general business training; Mr. Amos, law and commercial geography. Miss Beck teaches business English.

COMMERCIAL FACULTY — Top Row: ARMIN AMOS, Indiana University, B.S., Ushers Club Sponsor; BEULAH BUCHANAN, Indiana University, B.S., Columbia University, M.A., Junior Class Sponsor; IRMA JEAN CARSTENS, University of North Dakota, B.S.; JULIA MASON, Indiana State Teachers' College, B.S.; (Lower Row) RUTH FOULKE, Earlham College, A.B., Columbia University, M.A., Commercial Club Sponsor; HARRY H. HATCHER, Manchester College, A.B., Columbia University, M.A., Head of Department, Head Senior Class Sponsor, Board of Control, President, Tennis Coach.

### MARGARET ADAMS

Margaret loves lots of fun. She hopes some day to become either an illustrator for magazines or a stenographer.

### ROBERT ALDRICH

"Bob's" humor eased many a bad moment in class. He likes baseball, dancing, and all winter sports. He hopes to become an accountant.

### AMBER ALLISON

"Music hath charm," or so thinks Amber. Sports are also included on her "charm list." This laughing girl hopes to become a stenographer.

### EVELYN BABCOCK

Evelyn's ambition is to go to business college and thus become a good office girl. She is very agreeable, at least, she dislikes nothing in particular.

### MADELINE BOCK

Charming personality, flashing brown eyes, smiling lips, all bundled into one make Madeline Bock, a pretty package. Madeline is an expert typist.

### VICTOR BRACKEVELDT

"Vic" doesn't say much, but he gets along. He belongs to the Kappa Phi's, and so, of course likes a good time.

### MARIE BRYAN

Curly-haired Marie is one of the school trombone tooters. Her favorite foods are spaghetti and ice cream, a mighty combination.

### PAT CATANZARITE

"Pat" very naturally likes the movies — (Don't we all?) — and hopes some day to be able to travel the wide world over.

### BUFORD CHANDONIA

A mischievous grin, dark brown hair and eyes go to make Buford, the boy who admits that he likes to sleep in school.

### EVELYN CLAEYS

Evelyn, a gay little soul, is striving to become secretary to some famous band leader, probably so that she can dance more often.

#### ALICE VANDER BRUGGHEN

Alice, by her cheerfulness, has surmounted physical handicap. Likes bicycling, swimming, and walking in the rain.

#### ADRIENNE VANDER HEYDEN

Sports and commercial subjects attract this future "Ideal Secretary." Kathryn's general ambition now, is to "get a good job and make lots of money."

# They Specialize in Vocational Study

Without the men in overalls, modern industry would not have reached its present status. Upon these men is dependent the smooth running of our industrial society.

By long and accurate training, the boys taking the Trade Course become skilled in the arts of printing, drafting, wood-working, and other shop work. The superior training which these boys receive

is evident by the fact that they have won many first prizes in the state contests at Purdue University.

The vocational courses — drafting, printing, electric shop, machine shop, and auto shop — are pursued for two years.

Boys who wish to become engineers or to continue a manual training course in college take the Pre-Engineering Course.

VOCATIONAL FACULTY — *Top Row:* WALTER THURSTON, Ball State Teachers' College, B.S., Columbia University, M.A., Track Coach, Assistant Football Coach; EVERETT SPRAGUE, Purdue University, B.S.; HERBERT DeCROES, Purdue University, B.S., Junior Class Sponsor, Hi-Y Club Sponsor; *(Lower Row)* DWIGHT MARSEE, Indiana University, B.S., M.S.; CLARENCE NEEDLER, Indiana State Teachers' College, B.S., Colorado State College, M.S., Engineering Club Sponsor; HAROLD GOPPERT, Purdue University, B.S.; WILLIAM J. MIDDLETON, Purdue University, B.S., Head of Department.

#### RAY AKER

Ray, a blond, blue-eyed, good-looking boy, is a great dancing enthusiast. He is going to college to study chemical engineering.

#### GEORGE BECKTOLD

As George's talents are concerned with woodshop and printshop, he will probably follow one of these interests as a profession.

#### ARTHUR BROWN

Arthur, the school "woman-hater," wants to follow his liking for all shop subjects and go to Purdue to study mechanical engineering.

#### KEITH BURKETT

Keith at present likes to eat and swim, but in the future his aim is to "do something worth while."

#### RICHARD De LONG

Richard, an expert on the trumpet, is a devotee of music. As a profession he has selected either mechanical engineering or tool and die making.

#### FRED HAWKINS

This tall boy worries a lot about his girl friends, and likes to go swimming at the "Nat" during the winter.

#### WILLIAM HUGHES

Basketball and "Bill" fall in together. Since he is tall, he can make the ball fall in the basket, too.

#### PAUL KOVACH

Paul is tall — perhaps it is because of his hobby — banana splits! Quiet and reserved, yet he likes fun.

#### LAMARR MIKEL

A rather quiet lad, who will brave chilly waters to go swimming. His favorite color is blue.

#### ALBERT PERKINS

Enjoys swimming and working with radio. Has a fondness for spaghetti, but dislikes girls who wear bright lipstick.

#### DONALD ROSE

#### DONALD SCHELLE

His quietness during school hours belies his entertaining personality. He claims he is strictly in favor of sitting around doing nothing.

#### CHARLES SHULTZ

Blue eyes with a glint of mischief, brown hair, and a quick smile identify Charles. He takes his Scout work seriously.

#### JOHN SIROK

"Hi, George." So John greets his friends. As a result he is generally known as "George."

#### JACK STANLEY

One hundred fifty-five pounds but a scrappy guard on the varsity football squad. Jack is very proud of the sweater he earned this year.

#### DAVID VAN DE WALLE

Because of his short stature, he has been appropriately nicknamed "Peewee." Disregarding the question of size, David likes all sports.

#### ROBERT WILLIAMS

Small in stature, always grinning, "Bob" likes his fun. He also knows how to work, as his class records show.

#### LAWRENCE BLUME

Lawrence is looking forward to graduation — and vacation. The vacation may not last long however, as he plans to enroll in the Bendix Trade School.

#### LEE BRINER

Mishawaka will have a "home-town boy" as a movie cameraman in Hollywood — unless Lee becomes disgusted with the "painted" girls, who are his pet peeves.

#### JACK BUSHMAN

Jack delights in swimming, skating, and playing baseball. His ambition is to attend Georgia Tech and study mechanical engineering, or to become a basketball official.

#### ALBERT DeWULF

Hunting is "Al's" favorite pastime and much has fallen to his gun; but when he goes "a fishin'," the fish — bite elsewhere.

#### ZOLLY EGYARTO

Activeness, willingness, and an unusual name are the impressions Zolly has left in each of our minds.

#### GERALD EHRESMAN

This curly-haired, spectacled lad, "Jerry," was forced to take several "required" subjects, but if he had had his way about it, they would have been all drafting.

#### LEONARD EMMERT

Leonard is one of M. H. S.'s best machinists. In the future he hopes to be the owner of an Emmert Machine Shop.

#### URLIN GASKILL

Urlin isn't a soda-jerker, but he is a fine hamburger frier. His non-school hours are spent in a restaurant pleasing his customers.

#### ROBERT GEYER

"Pete" spends his spare time breaking things, eating beefsteak, and walking around through the halls getting acquainted with everyone.

#### RICHARD GILDNER

"Dick," in his opinion, never has anything to do, but if you watch him repair worn-out automobiles, he soon disproves this theory.

#### MARION HARTMAN

With his winning smile, he says he "wants to do several things," among which is study mechanics and tool and dye making.

#### WILLIAM HATCH

"Bill" knows how to use his legs in both track and dancing. He excels in both. He plans to be an undertaker.

#### JAY HUGHES

Tall, good-looking Jay catches the eye of many a girl, but he has eyes for only one. His friends all agree that he is "a good scout."

## Juniors, the Future Leaders

Two hundred and ninety-seven juniors began their career as upperclassmen by electing Thomas O'Dell to lead them through their junior year. His assisting officers are Herbert Schalliol, vice-president; Grace Reed, secretary; Richard Lenhard, treasurer; and Harold Coleman, Board of Control.

This Class of 1938 presented, in March, the hilarious comedy, "Big Hearted Herbert" as their annual class play.

The social climax of the entire school year is the Junior-Senior Prom to be given by the juniors in honor of the graduating class. Because of the careful planning of competent leaders this dance is always a delightful affair, with excellent dance music and gay decorations.

The Junior Class is especially outstanding in scholarship, having forty-five students who have grades which make them eligible for the National Honor Society. Herbert Barnes, James Bock, and Erma Jane Hahn lead the class scholastically.

The sponsors who have assisted the class are Mr. Lester Dahl, head sponsor, Miss Beulah Buchanan, Mr. Herbert De Croes, Miss Elizabeth Evans, Miss Wilhelmina Lester, Mr. Wallace Miner, and Miss Margaret Moist.

## Sophomores, the Largest Class in M. H. S.

Boasting the largest membership of any class in Mishawaka High School, the Sophomore Class has 396 members. With a year of organized work already done, the second year students will soon begin their career as upper classmen. Their greatest delight in being sophomores is to show their superiority, being more wise than the freshmen.

The Sophomore Class play, "I'll Leave

It to You," which portrayed family life in England, was a highly successful and pleasing performance. The production, under the able direction of Miss Lola Jane Rosenberger, was presented in November.

To be their leaders, the sophomores chose Paul Barnes, whose assistants are Jay Gibson, vice-president; Lucian Phillion, secretary; Edward Grant, treasurer; and Marian Kirkpatrick, Board of Control.

## Freshmen, The Newcomers

Election day! On a cold November day, Franklin D. Roosevelt was re-elected to the presidency of the United States. On that same day the freshmen bravely faced the cold winds and the camera so that they might be a part of the *Miskodeed*.

Of course, the freshmen experienced the usual round of initiation ceremonies administered to them by the seniors, and the feeling of confusion which comes with the first weeks

of high school; but with three years ahead of them, they will easily forget those first bewildering days.

Because of overcrowded conditions in the high school, Battell and Main Junior High Schools have established a ninth grade. This has made a smaller freshmen class than formerly, but not an inactive one. The freshmen girls readily adopted intramural athletic activities.

**Your fighting Cavemen**

on their battlefields

# Cavemen Fight!

Fighting! Trying! Not giving up, the Maroon warriors played through a stiff ten game schedule, and came out with "heads bloody but unbowed." Never in our school history has a team fought through such odds and discouragements, and still kept their heads lifted at the end of the season.

Coaches Russell Arndt and Walter Thurston worked hard with the 1936 Varsity squad of 50 players, and although they won only one game, the coaches considered the season a success from the standpoint that the boys learned how to "take it" with their chins up.

This season meant the end of the high school football career for some of our best

players. In the group who have played their last game for M. H. S. are Co-captains Marcel Van Maele and Leo Vander Heyden. Both of these boys fought hardest when the going was toughest; and although injured in the Elkhart game, Leo came back to play a week later in the Central game.

Robert Hoffman played understudy to Vander Heyden, but towards the end of the season came in to his own. "Bob" has a sunny disposition and was well liked by all players on the squad.

At guard, the Maroons will lose August Mahank, Jack Stanley, and Chester Zehrung. Jack is small but mighty, and many guards larger than he found themselves out-

*Bottom Row:* Jack Bushman, Andrew Mickels, Marcel Van Maele, Clinton Yazel, Edward Gray, Willis Wardlow, Leo Vander Heyden, Edward Besinger, Auburn Herron, Robert Conway, Charles Kizer, Harold Housand, August Mahank, Jack Stanley, Loren Proudfit.

*Second Row:* Charles Pahl, Max McMillan, Ralph Howland, Robert Davis, Chester Zehrung, William Bertig, Marcel Vande Walle, Robert Hoffman, Jay Hughes, Delois Smith, Charles Barrett, Donald Smith, Joseph Ascai, Al Sergeant, Coach Russell Arndt.

*Third Row:* Nathaniel Ferarie, manager; Francis Felters, Herbert McDonald, Thomas O'Dell, Carl Kelly, Arval Schlemmer, Jack Hakes, Clyde Van Winkles, John Miller, Arnold Meixel, George Guylanics, Joseph Jasiewicz, Joseph Gall, Maurice De-Meyer.

*Top Row:* Paul Kline, Donald Trump, managers; Homer Smith, Robert Hakes, Robert Hurst, Jay Gibson, Barney Arata, Robert Rhodes.

Coach Arndt

played by 155 pounds of dynamite. "Chet" is a rough and ready type who shared his position with Robert Conway, but was always ready to play his share of the game. August Mahank, also a watch charm guard, was hampered during the season by injuries, but when he could play, he fought.

Loren "Doc" Proudfit, the Maroon all-conference second string tackle, and Marcel Van de Walle will leave holes at the tackle positions.

Flanking the ends of the line were William Bertig and his understudy Jay Hughes, who will be missed next year when the going gets rough.

When running the ball from behind the line next year, the team will be without Edward Besinger, quarterback; Willis Wardlow, Marcel Van Maele, and Charles Kizer, halfbacks; and Harold Housand, fullback. This group was known for its speed and deception.

Under the lights in the season's opener, against the strong Washington Panthers of South Bend, the Maroons found themselves against a team who had looked forward to this meeting for a year. Before the game was five minutes old, the Panthers had scored and converted the extra point. Undaunted, the Cavemen fought back and reached touch-downland in the third quarter, when Wardlow slipped over to score from the fifteen yard marker. Sergeant's try for conversion was blocked and the Maroons lost their opening game, 7-6.

Playing their first home game of the season, the Cavemen met the Evanston, Illinois, Wildcats and lost their second encounter by a 13-0 count. Two factors led to the Maroon downfall: one, a few bad breaks; and the other, the Evanston iron-man fullback, Worthington. Sergeant was outstanding on defense, and the Cavemen fought hard throughout the game.

Under skies threatening rain, the Maroons again dropped a close decision to the South Side, Fort Wayne, Archers when a field goal was sent spinning through the uprights, proving the margin of victory, 9-7.

Al Sergeant, Loren Proudfit, Charles Kizer, Robert Conway.

After the Cavemen had seen nine points go up in the visitors' column on the scoreboard, they fought back and shook Wardlow loose for a score from the nine yard stripe. Canarecci drove through for the seventh point. This game showed a marked improvement in the kicking department of the Maroons.

Playing their first conference tilt, the Cavemen tangled with the Goshen Redskins and emerged victorious by the score, 13-7. All of the team fought with a fierce determination that characterized the win. One Maroon player, Canarecci, stood out for his work in splitting the line and blocking for his teammates.

At Rice Field, Elkhart, the Maroons ran against the team which was destined to be the N. I. H. S. C. champion. The big Blue Avalanche, led by Tim Bringle, scored almost at will with their well-drilled machine, and although the Cavemen fought desperately until the final gun sounded, the Blazers ran up a total of 27 points.

In the early part of this game, Leo Vander Heyden was seriously injured. This was the

first conference defeat of the season for the Maroon-clad lads.

Before a colorful crowd of 20,000, the annual Mishawaka Caveman and Central Bear classic ended in a hard fought 7-7 tie. The tilt was typical of the many struggles between the two arch football rivals and was played in a slashing, high-spirited manner.

The team started the game with a smashing attack which ended with Canarecci puncturing the center for a touchdown and seconds later converting on a plunge. The Bears, however, came back in the third quarter to score and tie the game.

At Gleason Field, Gary, the Horace Mann-Horsemen, paced by Harmon, who scored six touchdowns, showed their heels to the Mishawakans to the tune of 44-25. This was sweet revenge for the Horsemen, who had played last year when the Maroons had defeated them in the N. I. H. S. C. play-off.

After being run over the first half, the Cavemen came back and completely dominated play in the second half. Charles Kizer

Edward Besinger, Leo Vander Heyden, Frank Canarecci, Jack Stanley, Willis Wardlow, Marcel Van de Walle, and William Bertig.

Managers: Robert Melkey Jack Schott, Joseph Ferrari, Donald Trump, Regis Lang.

and Arnold Meixel led the onslaught in the latter half with passes and end runs.

In the fourth conference game at Michigan City, the Maroons were set back by the score of 26-0. This game was very roughly played, and both sides were penalized freely by the officials. Stephenson, Red Devil star, was bottled up by the Maroon defense, but a few long runs again proved the margin of defeat.

Battling to save the tradition that LaPorte High School has never emerged a victor in a football contest with Mishawaka High School, the Mishawaka Cavemen rallied and tied the LaPorte Slicers, 7-7, in a conference test. Before the game had been ten minutes old, Broome, Slicer triple-threat man, had scored and the extra point had been converted. Coming back with the score against them but not giving up, the Maroons fought desperately. Meixel passed to Herron in the

end zone for the score. Once again Canarecci was called upon, and he delivered the extra point with a plunge. The Maroons had the ball in Slicer territory the rest of the game, but couldn't put it over the last white line again.

The final game of the season always brings regret to the seniors who are wearing the colors of their school for the last time. So it was in the Riley-Mishawaka game, played in South Bend under the lights of School Field.

Although fighting as never before, the Maroons dropped their game, 18-7. The cause of this defeat was inaccurate punting and blocking. Housand was the Maroon stalwart who ended his career with a touchdown from the eight yard line.

Although the season of wins and losses does not seem to have been successful, we may do well to remember that:

*"When the One Great Scorer comes  
To write against your name,  
He writes, not that you won or lost,  
But how you played the game."*

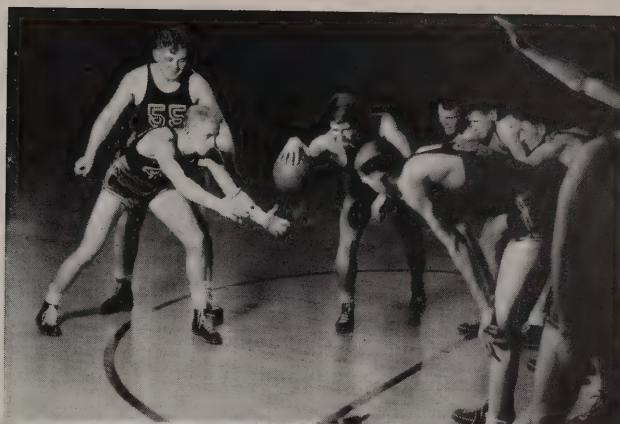

## Maroon Netters Carry On

In the 1936-1937 basketball season, Coach Shelby S. Shake drilled his boys thoroughly in the fundamentals of the game, but he also stressed fine sportsmanship. Clean and fair playing was conspicuously evident in all games, regardless of score.

The "field goal twins," Arthur Van Tone and Arthur Vallicelli, and Charles Robison, seniors, were voted honorary co-captains by members of the team at the end of the season. The other senior who played his last game of basketball for Mishawaka High School was Carl Norris, who played a stellar game at the guard post. Other members of the Varsity on the tournament slate were Rudolph Meuninck, George Miukluk, Donald Moore, Van Norris, Robert Schweisberger, and George Marzotto.

The Mishawaka Maroons opened a fair season, eight victories and twelve defeats, at Bourbon where the Comets won 23 to 20. Substitutions were made freely to find the best combination. Art Van Tone was high scorer for the Maroons with eight points.

On November 24, the Maroons opened their home season schedule, playing Lakeville, and were defeated 33 to 28. The new Bask-o-Lite baskets with automatic lights were used for the first time at this game.

*Top Picture:* Art Van Tone finds an opening in the free throw circle as he dribbles through for an under-the-basket shot during practice scrimmage.

*Bottom Picture:* The varsity squad are all ears for valuable information about an opponent as they gather around Coach S. S. Shake, while he explains to them formations and weak points of the opponents.

Mishawaka was host to Nappanee on December 4, and trounced the Bulldogs 30 to 24 for the Maroons' first victory of the season. Vallicelli led the attack with sixteen points.

Playing their first conference game of the season, the Maroons defeated the strong Goshen quintet 33 to 28. The Cavemen's passing and teamwork showed an improved form over earlier playing.

The following night the Maroons were defeated by Central of South Bend at the Y.M.C.A. for their first defeat in thirteen games by a score of 35 to 34. Van Tone led the Cavemen with eleven tallies.

The next week Riley visited the Maroon gymnasium and were handed a defeat in a conference tilt, 33 to 26. Robison was high scorer of the evening with twelve points.

On December 22, Muncie invaded the Mishawaka stronghold and defeated the Maroons 26 to 20. Vallicelli and Van Tone were high point men for the local five with eight and nine points, respectively. Hall, Muncie, was high.

Mishawaka toured the southern part of the state during the Christmas holidays and made their first stop at Brazil. Displaying basketball northern style, the Cavemen defeated Brazil 31 to 26. Vallicelli garnered fifteen points with the help of his running mate, Art Van Tone, who did the feeding.

The following night the Cavemen visited the Indiana State Teachers emporium and played Garfield of Terre Haute. The Maroons lost to Garfield by one point, 33 to 32. Van Tone was high scorer with fifteen tallies.

The Cavemen opened the New Year with a conference victory over Nappanee in the Nappanee Civic Auditorium by the close margin of one point, 23 to 22. This was the third successive conference victory for Mishawaka.

The following week the Cavemen journeyed to Rochester and the Zebras handed them a defeat of 36 to 25. Van Tone led the Maroons with ten points. This was the beginning of a five-game losing streak for the Maroons.

The next evening the Maroons were defeated by Riley in an overtime game 28 to 22. Berta scored ten points for Riley, while Vallicelli made eight for Mishawaka.

On January 15, Elkhart conquered Mishawaka and afterward led the conference. Before a crowd of 2,000 that packed the gymnasium, the Maroons fell before the Blue Blazers 28 to 20. This was a battle to the finish. Van Tone was high scorer, registering twelve points for the Maroons.

In another conference game the following week, the Cavemen were handed their worst defeat of the season in a conference battle, 36 to 32. A heated battle it was, throughout the game. The scoring for the Maroons was done mostly by Van Tone, Robison, and Vallicelli, who collected eight points apiece.

Mishawaka got back on the victory trail and defeated the Michigan City Red Devils 43 to 20 in a conference tilt. Art Vallicelli scored nineteen points for the Maroons.

The Maroons wound up their double week-end bill by losing to Elkhart in the Elkhart gymnasium 26 to 14. Van Tone took high scoring honors with twelve points. Bringle made ten for the Blazers.

February 12 the Cavemen took a trip down to Winamac and were defeated by the Indians 23 to 22. Van Tone garnered nine points for high scoring honors. Rohier sank the winning basket for the Indians in the last minute of play.

The Culver Indians were defeated on the Mishawaka basketball court 44 to 25. Art Vallicelli collected twenty points for high scoring honors. Curtis was high for the Indians with eight tallies.

In their final game of the season, the Cavemen, led by Art Van Tone who made ten points, trounced Washington High School, South Bend, 35 to 24. Bogarus tied with Van Tone for scoring honors.

The Mishawaka Reserves enjoyed a little better season than the Varsity, winning eleven of their twenty contests.

Mishawaka was host to eleven teams in the sectional tournament. The Cavemen drew the toughest pairings of the tourney: Riley, Central, and Lakeville, respectively. Riley and Central had defeated the Cavemen twice during the season, and so the traditional Hoosier hoo-doo was against the two South Bend teams. Lakeville had been undefeated throughout the season, having won twenty-three games.

Mishawaka, employing the fast break system, trounced the Riley quintet, 41 to 35. Vallicelli and Van Tone amassed thirteen and eleven points, respectively. Dick Driggs was high pointer for the Wildcats with eleven. In the meantime, Central had won from Madison Township and gained the right to play the Cavemen in the semi-finals.

Mishawaka, led again by the field goal twins, eked out a 41 to 39 victory over Central. This was a hard fought battle all the way and kept the fans on the edge of their seats throughout the contest.

In the final and decisive game of the sectional tournament, the Cavemen met the Lakeville Trojans, who had increased their string of victories to twenty-seven.

Art Vallicelli was really hot in this final game, collecting ten field goals for twenty points, which aided the Maroons greatly in handing the Trojans their first defeat of the season 44 to 38. Mishawaka upset the dope bucket and won the sectional which entitled them to play in the regional tournament.

In the first game of the regional tournament, at Rochester, the Maroons met the Elkhart Blue Blazers, top-heavy favorites, to win the tournament. The Cavemen played a steady brand of ball that kept them in the lead throughout the game, and at the final gun the Maroons had defeated the Blazers, 28 to 23.

Rochester won from Plymouth and so they played the Maroons in the final game.

The Cavemen got off to a fast start in the opening quarter, but the Zebra's defense tightened, the players were rough, and the Maroons led by only one point at the end of the half. In the third period, the Maroons were able to collect only two points. Rochester won in the final quarter, defeating Mishawaka 29 to 26 for the regional crown.

## Trackmen Hopeful

Under the able tutelage of Coach Walter Thurston, the Maroon cinder stars are looking forward to a successful season. Although much of the material is inexperienced, Coach Thurston is expected to put out a polished unit that will be in top shape by the time the state meet rolls around in May.

In the short dashes, Coach Thurston is depending upon Zane Hollingsworth, with help from Wayne Ward and Paul Knupp before the season is over. Zane is a senior whose aim is to run the 100 yard dash in 10 seconds. The half mile relay team will be chosen from Hollingsworth, Knupp, Jay Gibson, Troy Williams, Richard Steele, and James Basham.

The 120 yard high hurdles will be capably taken care of by Leonard Powell, with Forrest Good running close behind to step in if Leonard falters. These high sticks should be a strong spot in the Maroon's squad. Running the low hurdles will be Jay Gibson, James Basham, Lee Savage, and Richard Steele. Since Jay is a sophomore and "Dick" belongs to the freshman class, it seems as if the hurdles will be well fortified for the next few years.

The former weak spot of the Maroon squad, the 440 yard dash, is being filled by Leonard Powell and Robert Hiler. These two are determined to make this one of the team's strong departments this year.

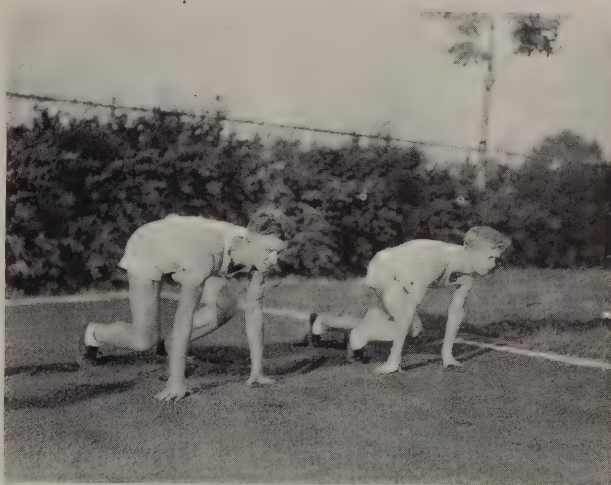

Lewis Manuwal and Thomas O'Dell are running the 880 yard run for Coach Thurston this year. Manuwal, who gained his fame in cross country running, is expected to take his share of points in this event.

Also a strong section of the Maroon team should be the one mile run. With Robert Evans and Arthur Beyer running this race,

Zane Hollingsworth and "Scoot" Anderson get set for a flying start in the 100 yd. dash.

Coach Thurston is apparently pleased with the results of the season.

"Bobby" Evans, "Art" Beyer, and "Louie" Manuwal are warming up for the mile run.

the Maroons expect to garner many points. "Bobby" is one of the few seniors on the 1937 squad. The mile relay team will be chosen from Fred Barrett, Dudley Picking, Lester Powell, Forrest Good, and Lewis Manuwal.

Of the field events, the broad jump seems the best fortified, with Fred Bubb, Patrick Cosenza, and Arthur Van Tone doing the jumping. In the high jump are Forrest Good, Cyrus Grant, and Roy Bolen doing the leaping. Pole-vaulting is the specialty of Rudolph Meuninck, who expects to gather points for the team. Robert Schweisberger and Van Norris are the other vaulters for the team. Robert Davis, George Miukluk, Joe Acsai, and Joe Jasiewicz are putting the shot for the Maroons and are determined to build this department into a point-getter.

All members of the squad are looking forward to the state meet at Butler University, Indianapolis, and are working hard so that Mishawaka will win one of the coveted spots at Indianapolis on May 22.

## Harriers Successful

Youngster of all Mishawaka High School sports, cross country running in two years has established itself among the other annual sporting events. Last year's squad, the first to participate in interschool competition, won the N.I.H.S.C. championship. Thus, this year's runners had to live up to a record that had been set.

Without the services of last year's captain and undefeated runner, Albert Boulanger, the members of this year's group had to find a new leader. In the first meets, it seemed that Lewis Manuwal supplied the spark needed to bring victories, but later Robert Evans came to the front and was awarded captaincy at the end of the season.

In the first meet of the year, the Maroons defeated the Blue Blazers of Elkhart. Lewis Manuwal, Robert Evans, and Arthur Beyer, finished in 1, 2, 3 order, while Rudolph Lambert and Glen Rowe were a little farther back in the line.

Literally running the Riley opponents into the ground, the Maroon harriers added the second victim to their list, 44-15. Again it was Manuwal, who led his teammates to the tape, negotiating the mile and a half in the ninth second of the ninth minute. "Art" Beyer finished second on the heels of Manuwal and was followed by Robert Evans, Rudolph Lambert, and Glen Rowe, before a South Bend runner crossed the finish line.

On October 29, the Cavemen out-ran the Elkhart Blazers for the second time this season and for their third straight victory. Robert Evans ran a beautiful race, and close behind came Lewis Manuwal. Beyer, Lambert, and Heintzberger finished farther down the line.

Against the cadets of Culver Military

Academy, the Maroons showed their superiority by winning, 36-19. Despite the cold day, Lewis led the field and covered the two mile course in 11 minutes and 37 seconds. "Bobby" Evans followed close behind in second position, while "Art" Beyer came in third. This was the fourth straight victory for the Cavemen.

In the only triangular meet of the season, the Maroons won their sixth straight victory, Mishawaka, 28; North Side of Fort Wayne, 33; and Elkhart, 59. This was the third victory over the Elkhart pacers this season. The race was a nip and tuck affair with Manuwal out-running his teammate, Evans, in the time of 10:32. Beyer was awarded fourth position.

In adding another victory to their list, the Cavemen out-trotted the Horsemen from Gary, 35-20. Lewis Manuwal won his fourth first place in this meet in the fast time of 10:44. Robert Evans snared second place.

The conference meet at the end of the season proved the first and only stumbling block for the Cavemen. Among the twenty teams participating in this canter, the Maroons placed third, to be outclassed by the Hammond and Elkhart squads. "Bobby" Evans placed second; Lewis Manuwal was sixth; "Art" Beyer ran eleventh; Rudy Lambert came in twentieth; and William Heintzberger was the thirty-fourth across the finish line.

Despite the conference defeat, the season was successful, and Coach Walter Thurston is looking forward to the meets next fall. The squad will be intact with the exception of Robert Evans, who is slated to receive his diploma.

In two years the "youngster" has gained the respect of his older brothers.

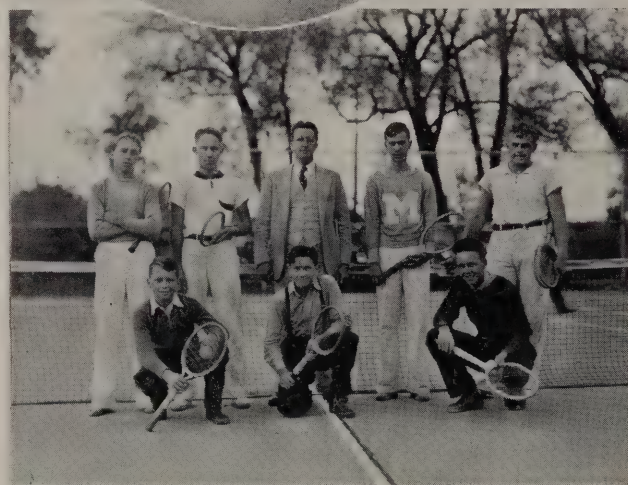

## Northern Indiana Tennis Champions

For the first time in the history of Mishawaka High School, the tennis team has triumphed in winning the Northern Indiana championship and possibly the state championship this spring. Coach Harry H. Hatcher molded four veterans from last year's team into a tennis team capable of winning consistently.

Olen Parks, playing the No. 1 position, held the singles title in Northern Indiana during his junior and senior years, while Paul Bard took care of the No. 2 post and also remained undefeated during his senior year. Van Norris, the only junior on the team, played extremely well at the No. 3 position, while Donald Leiter played in both the third and fourth positions.

The Maroon tennis squad began the season by defeating Nappanee on the latter's courts, 5-0. Shortly following, the racketeers traveled to LaPorte and gave the Slicers a 4-1 beating; two days later the Cavemen easily defeated the Riley Wildcats 5-0 on the Merrifield courts.

Half-way through their schedule they began to hit their stride by defeating Goshen, 4-1; Elkhart, 5-0; and Central of South Bend, 4-1; thus winning the Eastern Division of the conference.

*Standing:* Van Norris, Paul Bard, Coach Hatcher, Donald Leiter,  
Olen Parks.

*Kneeling:* Fred Doutel, Paul Barnes, and Arthur Rowe.

The Maroons met the Western champions, Washington High School of East Chicago, and licked them 4-1 on a very blustery November Saturday at East Chicago, thus becoming conference champions.

## Ways and Means on the Fairways

With a few members from last year's team returning to the golfing ranks, Coaches William Gardner and Joe Canfield are laying their plans for the spring golf season.

Ellsworth Gephart, Gifford Hampton, Harold Housand, and Vern Lung are expected to form the nucleus of this year's golf team. However, with such players as Harry Magrane, Woods Pepperman, Arthur Rowe, and Richard Wachs to form the second four, the members on the first four will have to play championship golf to hold down their positions. Newcomers on the fairways are: Harold Housand, Woods Pepperman, Arthur Rowe, and Richard Wachs.

It has been rumored that this year's team holds great possibilities for winning the N.I. H.S.C. race, if they can defeat their South Bend rivals. Three South Bend schools occupy places on the Maroon schedule, and ever since the opening of the Eberhart Golf Course, on April 1, the Cavemen have been practicing strenuously for the difficult meets.

A tentative schedule of the golf season follows:

### 1937 GOLF SCHEDULE

April 24	Washington, South Bend— There
April 28	Riley, South Bend — There
May 1	Central, South Bend — Here
May 5	Michigan City — Here Conference
May 8	LaPorte — There Conference
May 12	Washington, South Bend—Here Conference
May 15	Riley, South Bend — Here Conference
May 19	Central, South Bend—There Conference

Gifford Hampton, Kenneth Young, Harry Magrane, Lawrence Quick, Jr., Arthur Rowe, Vern Lung, William Kline, Earl Ely, Ellsworth Gephart, Jack Bushman hope to make their "birdies" during the season.

Ellsworth Gephart is demonstrating to his teammates the correct form in driving a ball down the fairway. Mr. Gardner has already turned his eyes toward the green, looking for a "hole in one."

## These Stimulate Scholarship

### HONORARY SCHOLASTIC SOCIETY

Founded to recognize high scholarship of the three upper classes, this local society promotes a friendly relationship among students interested in elevating learning in Mishawaka High School.

The officers are Paul Bard, president; Lawrence Quick, vice-president; Erma Jane Hahn, secretary-treasurer; Ben Sturm, Board of Control.

### NATIONAL HONOR SOCIETY

Membership in the National Honor Society is one of the highest honors that a student can earn. Only juniors and seniors outstanding in leadership, character, service, and scholarship are eligible.

The officers are Robert Hoover, president; Mary Bolerjack, vice-president; Irene Grandstaff, secretary; Lawrence Quick, Board of Control.

### QUILL AND SCROLL

Most of the members on the publication staffs hope to be recommended for the Quill and Scroll, the International Honor Society for High School Journalists. To become a member one must show faithful and creditable work in managing, writing, or editing the school publications, and must also rank high scholastically.

## These Develop Talents

### "SEVEN KEYS TO BALDPATE"

Thirteen seniors reached the pinnacle of their high school careers, April 22, when they presented "Seven Keys to Baldpate." The melodramatic farce, portrayed a night's happenings at the Baldpate Inn, a lonely summer resort in Massachusetts. Skillful coaching on the part of Miss Lora Duguid and the capable work of the production staff brought excellent entertainment to the capacity audience.

### "BIG HEARTED HERBERT"

"Big Hearted Herbert" was presented by the juniors, March 11. Thomas O'Dell carried the title role, that of a self-made business man who insisted that his family be brought up in the plain tradition. The cast of thirteen was capably directed by Miss Wilhelmina Lester.

#### "THE MILLIONAIRE"

Under the capable direction of Miss Margaret Moist, the Commercial Club presented a three-act comedy, February 11. "The Millionaire," was Gideon Heath, who obtained his wealth from a gold mine. Robert Bancroft carried the leading role.

#### "I'LL LEAVE IT TO YOU"

The Class of '39 made its debut in dramatics November 12, when it presented Noel Coward's "I'll Leave It to You," which involved the fortune of a supposedly millionaire uncle. Miss Lola Jane Rosenberger directed the second-year cast.

#### "NEW FIRES"

The insolence of Stephen Santry, the temperament of his daughter Olive, and the humor of a typical backwoods family were shown in the annual Speech Club play, "New Fires." Convincing characters, together with a good production staff, made the play the success that it was.

## THE MUSIC DEPARTMENT

Dryden said, "Music conquers the conqueror of the world." If so, then the Music Department, under the competent supervision of Miss Lucine Jones, has taken its responsibility and conquered many dull lives this year with its vivid musical notes.

On December 16, the A Capella choir opened a very eventful season. They presented a program in the form of a community Christmas Festival. The program began with a candle-lighted processional of the robed choir. While the choir sang Christmas carols, tableaux were presented from a facsimile of the window in the Cathedral of Saint John the Divine in New York City.

Another highlight of the choir's busy season was the broadcast presented from the South Bend station, February 11.

Miss Jones organized the Madrigal Club of the sextet and the quartet. Included in this group are Dale Huston, Betty Kelley, Mary Frances Kabel, Jane Guin, Ernestine Woolman, Phyllis Gamble, Peggy Wilklow, Glenn Thompson, Robert Hoover, Clyde Buckles, and Wayne Ward.

Besides playing the usual program at the plays, the orchestra has made several appearances before the Fellowship Club. To the trio, composed of Jeanne Pullman, violin; Roberta Powell, 'cello; and Miss Jones, piano, came the enjoyable task of playing music for a dinner for the Fellowship Club, the Junior-Senior Girls' tea, and a dinner meeting of the American Association of University Women. They were also on the dedication program at the Mary Phillips School.

After it has presented a very elaborate Spring Concert in May, the Music Department will end its eventful year of music at the Baccalaureate and Commencement exercises, closing another volume in the musical history of Mishawaka High School.

#### ART CLUB

All students who are interested in art may join the Art Club, of which Miss Alice Baker is the sponsor. Several parties brought these school artists together for social life during the year.

The officers are Zane Hollingsworth, president; Marian Peik, vice-president; Ralph Peck, secretary-treasurer; and Paul Driver, Board of Control.

## THE BAND

Under the baton of Mr. Max Kraning, the band has had an outstanding year of forty-five public appearances—eighteen more than last year.

The marching band of sixty-four played for all the home football and basketball games, and the concert organization of ninety-three presented three concerts during the year, in January, March, and May.

Mr. Kraning has organized small groups for ensemble work. The Demonstration Band, perhaps the most outstanding one of these groups, presented dinner music at the annual football banquet. Other ensembles directed by Mr. Kraning are the Woodwind Ensemble, the Saxophone Septet, the French Horn Quartet, the Clarinet Quartet, the Brass Quartet, the German Band, and the Drum and Bugle Corps. Each of these has presented programs for many community organizations.

Members of the band elected Deno Focosi, president; John Lehr, vice-president; Lois Chandler, secretary; James Bock, Board of Control; and Betty Haslett and Wayne Zeller, librarians.

Robert Abele, Floyd Alleman, Lloyd Alleman, Walter Anderson, Joseph Baidinger, Toni Baldini, Robert Bancroft, Hilbert Berger, Marion Birtwhistle, James Bock, Helen Boehnlein, Dorothy Breunlin, Jack Brown, Fred Buda, Francis Bueche, Evelyn Burns, Norma Butler, Lois Chandler, Wayne Chandler, Harold Coleman, Richard Deardorff, Earl Dodge, Walter Doeringsfeld, Fred Doutel, Betty Eberhart, Betty Ehrmin, Eleanora Engel, John Fink, Deno Focosi, Kenneth Fox, Robert Hawkins, Auburn Herron, Elsie Hoffman, John Hoffman, Mary Guidi, Helen Guin, Erma Jane Hahn, June Harstein, Betty Haslett, Robert Hawkins, Auburn Herron, Elsie Hocman, John Hoffman, Mary Frances Kabel, Betty Kelley, Carl Kelley, Ralph Kester, Jeanette Kindley, Paul Knupp, James Kulp, Robert Kyle, Phillip Lahr, Mary Lang, John Lehr, Donald Leiter, Willard Lidgard, Roland Light, Harold Marker, Retha Martin, George Marzotto, Elwood May, Walter May, Richard McHenry, Betty Mentzer, John Metzner, Marjorie Mickey, Douglas Morin, Wanda Nichols, Betty Jane Perry, Robert Peterson, Elden Powell, Gordon Powell, Roberta Powell, Earl Reese, Paul Reese, Evelyn Ritter, Worthy Rowe, Winston Sack, Gaylord Saltzgeber, John Schindler, Eldon Sheets, Richard Smith, Willard Smith, Vincent Slakeri, Venus Wallick, Adolph Walker, Virginia Walker, Donald Welter, Betty Wertz, Grace Wood, Wayne Zeller.

Important to the marching band are these baton twirlers, Blaine Gamble, Dorothy Breunlin, and Evelyn Ritter.

## SPEECH CLUB

The Speech Club promotes interest in the several speech activities, which include debating, oratory, general speech-making, oral reading, and dramatics.

The officers for the first semester were Charles Ainlay, president; Robert Hoover, vice-president; Martha Abberger, secretary; Mendel Piser, treasurer; and Robert Coleman, Board of Control.

The officers for the second semester are Lawrence Quick, president; Richard Lenhard, vice-president; Mary Atwood, secretary; Erma Jane Hahn, treasurer; and Robert Goldstein, Board of Control.

## DEBATING

The Mishawaka debaters argued their way through a successful season this year, losing only three conference debates and ending the conference schedule in a second place tie with Riley and Central, South Bend. The varsity team consisted of Charles Ainlay and Paul Bard, affirmative; and Lawrence Quick and Robert Coleman, negative. Richard Lenhard and Robert Goldstein acted as alternates.

## These Encourage Sportsmanship

Don't these officers look alert? They're ready for come what may: Athalene Haney, Kathyleen Kincaid, Miss Watkins, Magdolyn Kopsea, Grace Reed.

On a warm October day, the seniors battled for their first championship of the year against a strong junior squad. These two teams in speedball formation look very exciting. Charlotte Meidel led the senior team to victory.

### GIRLS' ATHLETIC ASSOCIATION

The Girls' Athletic Association is proud of the fact that it is one of the most active organizations in Mishawaka High School. Two hundred and sixty girls take part in the several different sports, an increase of more than fifty members last year.

The officers for the year were president, Kathyleen Kincaid; vice-president and Board of Control representative, Athalene Haney; secretary, Grace Reed; treasurer, Magdolyn Kopsea.

The activities of the club are mainly three: organized and unorganized activities, and achievement tests. The organized activities are those carried on in school under the direct supervision of the Physical Education Instructor, Miss Ruth Watkins. They include speedball, volleyball, basketball, indoor, volleyring, dancing, and tumbling. Ten points are granted to those who participate. At the close of each sports season a class tournament is held. This year, the senior speedball team, captained by Charlotte Meidel, was victorious. The senior volleyball team, captained by Dorothy Peterson, won all honors. This year has been a big one for the seniors.

Unorganized activities are those activities carried on outside of school. The most popular are swimming, hiking, bicycling, ping pong, tennis, and bowling. If, at the close of every six weeks' period, a girl has participated in an unorganized activity for six hours, she receives five points. Achievement tests are given three times each semester. The tests cover archery, clogging, bowling, golf,

hockey, horseshoe pitching, soccer, swimming, and tumbling. Girls who are skillful in passing the tests are awarded ten points.

Awards consist of the numeral, the letter, and the wall plaque. The G.A.A. emblem is given to girls who earn 150 points. The school letter, M, is given for 250 points. The following girls received their M this year: Amber Allison, Jennie Braeckelaere, Anna Johnson, Magdolyn Kopsea, Lucille Van Den Avyle, Anna Van Durmen, and Anna Pozwilka. The wall plaque is the highest honor a G.A.A. member can attain, for which 350 points are required. The plaque is awarded at the State Play Day at Muncie, Indiana. The following girls will receive plaques this spring: Jennie Braeckelaere, Athalene Haney, Anna Johnson, Magdolyn Kopsea, Dorothy Peterson, and Esther Swartz.

Every year our organization is invited to a play day in some nearby town. This year Plymouth was hostess, February 20. Ten G.A.A. members were selected to attend. All the girls had an enjoyable time and many look forward to the annual play day at Muncie, Indiana. The purpose of a play day is "Play for play's sake." There is no interschool competition. In fact, the girls from our school were divided so that only two girls from Mishawaka were on the same team. New friends are made on these occasions and the girls have the opportunity to see how other organizations are operated.

The Wabash G.A.A. edited a news letter every six weeks, called "Sportingly Yours." Every school belonging to the state league submits news, and in that way all the athletic associations are informed about each other. Kathyleen Kincaid was the Mishawaka correspondent. Pictures of our officers appeared in the second issue of "Sportingly Yours."

One of the big social functions of the year was a hill-billy party called "Dogpatch Roundup," at which the feature was a play based on mountain life. The members came dressed as hill-billies.

Here are the seniors again! The sophomores and juniors furnished plenty of competition, but the senior team came through with a second championship.

Here are two junior teams beginning a strenuous basketball season.

## INTRAMURAL ATHLETIC ASSOCIATION

Boys who are not fortunate in reaching the varsity caliber in Mishawaka High School athletics have an opportunity to display their sporting ability in the intramural and noon hour sporting activities.

Some seven hundred boys have participated in passball, volleyball, and basketball. Mr. Frank Steele, athletic director, is the sponsor of this athletic program which has popularized intramural athletic events in Mishawaka High School.

Maurice Lambiotte is president of the Intramural Athletic Association, assisted by Robert Daffron, secretary and treasurer; and Jack Bushman, representative on the Board of Control.

Howard Woolf's senior passball team captured the interclass title and was declared champions of M. H. S. last November. In volleyball the junior-senior team captained by Walter May, the sophomore squad headed by Wayne Ward, and the freshmen under the leadership of Lloyd Katterheinrich won championships in their respective league.

Members of the senior basketball team were as follows: Richard Abele, Jack Baugher, Jack Bushman, William Hatch, Halford Knotts, Arthur Newcomer, Elwood Robinson, Charles Stowell, and Jack Ulery.

Seniors on the passball team were James Hall, Robert Housand, Paul Klein, Leonard Powell, Thomas Sykes, Frank Troupe, and Howard Woolf.

On the junior-senior volleyball team were Robert Daffron, George Gherardi, Vern Lung, Walter May, Arthur Newcomer, Charles Robison, and Worthy Rowe.

On the sophomore team played Wayne Ward, Edward Walerko, William Walters, Milton Weesner, Donald Wigent, Corless Wiley, and Robert Witwer.

The freshman team was composed of Richard Boles, Eugene Gaebler, Lloyd Katterneinrich, John Kohler, Cecil Philips, Robert Smith, and William Sousley.

Robert Daffron, Maurice Lambiotte, and Jack Bushman, officers of the Intramural Athletic Association, take time out from discussing their schedule of games to pose for their pictures.

Below: the senior passball team makes ready for a line play.
